February 5, 2021

Dear Cleveland Hill School Community,

Many of you are reaching out to us regarding the rules around returning to school after traveling. Our responsibility is to follow New York State's Covid-19 requirements for all residents who travel out of state.

In summary, they are:

Any traveler from New York to a noncontiguous state (states other than Massachusetts, Vermont, New Jersey, Pennsylvania, or Connecticut), US territory or CDC level 2 and higher country, the new guidelines for travelers to test-out of the mandatory 10-day quarantine are below:

For travelers who were out-of-state for more than 24 hours:

- Travelers must obtain a test within three days of departure from their destination, prior to returning to New York state.
- The traveler must, upon return to New York, quarantine for three days.
- After three days of quarantine, the traveler must obtain another COVID test. If both tests come back negative, the travel may exit quarantine early.

Our hope is that this information will assist you in making decisions associated with any travel plans that you may be considering.

Thank you,
Jon MacSwan
Superintendent
