January 28, 2021

Dear Cleveland Hill School Community;

Gov. Cuomo has removed the Cluster Zone Designation on Erie County. Because of this we no longer need to conduct random COVID-19 testing. Effective immediately, we will be suspending the random COVID-19 testing for students and staff in our buildings.

If testing is deemed necessary by state or local health officials in the future, we will communicate that with you and immediately reestablish our testing program.

Additionally, I want to publicly recognize and thank the many district staff members that worked tirelessly on planning, implementing, and organizing this enormous task. Special recognition is deserving to Mrs. Bess, Ms. Czprynski, Mr. Evans, Miss Knaebe, Mr. Janus, Ms. Leader, Ms. Lepsch, Ms. Luce Mrs. Limardi, Mrs. Pokigo, Mrs. Robertson and Ms. Sherman.

Please continue to take necessary precautions, complete the daily health screening before entering a building each day, and continue to follow the recommendations from health officials to help prevent the spread of COVID-19 in your homes and in our schools.

Thank you for your continued support and patience with our district and to everyone who made the return to school in the Orange Zone possible. Stay safe and stay healthy!

Sincerely,

Mr. Jon MacSwan
Superintendent
