Dear Cleveland Hill School Community;

Please see the information below that the Erie County Department of Health (ECDOH) asked us to forward to you.

Best regards,
Mr. Jon MacSwan
Superintendent

Due to the increased availability and use of at-home tests by K-12 students and staff, the ECDOH has added an online form to report positive test results to their department.

A positive at-home COVID-19 test can now be submitted to ECDOH at <http://www.erie.gov/hometestreport>.

Once you complete the form at the link above it will be submitted to the ECDOH as a positive report.
