Dear Cleveland Hill School Community;

I hope that this update finds you all well, and that you have been able to enjoy the summer activities with friends and loved ones. It is hard to believe that we are already wrapping up a very successful summer program, and completing final preparations for next year.

We are currently staffing and preparing our buildings for a full five days a week of in-person learning and will be opening schools at full capacity this fall. Last week we learned last that the NYSDOH will not be providing any further guidance on the opening of schools in September. In the absence of State guidance, we are now working with the Erie County Department of Health, our local authority, for their guidance on safely opening our schools next month.

As soon as we receive further guidance and fully understand its implications for opening our schools this fall, we will communicate that with you. Our goal is to get this communication out during the week of August 23rd. We thank you again for your continued support, cooperation and patience.

Sincerely,

Mr. Jon MacSwan
Superintendent
