

Dear Parent or Guardian:

We are pleased to introduce you to a new way of signing in to the PowerSchool Parent Portal called "Single sign-on". Parents and guardians can have one login to access all of their student's grades and attendance in one place. Also, parents and guardians will not have to share logins as each parent or guardian can set up his or her own unique login and password. Please follow the directions below to get started using the PowerSchool Parent Portal.

1. Go to the "Cleveland Hill PowerSchool Parent Portal" log in page:

**<https://powerschool.clevehill.org/public>**

2. Select the **Create Account** tab and then click the **Create Account** button.

The screenshot shows the PowerSchool login page. At the top left is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two tabs: "Sign In" and "Create Account". The "Create Account" tab is circled in black. Below the tabs are two input fields: "Username" and "Password". Below the "Password" field is a link that says "Forgot Username or Password?". At the bottom right of the form is a "Sign In" button.

The screenshot shows the PowerSchool login page with the "Create Account" tab selected. Below the tabs is a section titled "Create an Account" with a horizontal line underneath. Below the line is a paragraph of text: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)". At the bottom right of this section is a "Create Account" button, which is circled in black.
