Dear Cleveland Hill Community;

Beginning next Monday, March 6, 2023 the Cleveland Hill School District will begin utilizing the Raptor visitor management system. The implementation of this program will require all visitors to present a government issued identification for scanning prior to entering any building. Individuals without proper identification will be denied access.

Acceptable forms of ID include;

- Driver's License from any state
- Non-Driver ID card
- Passport Card (Passport books are not acceptable)
- Pistol Permit

The Raptor system is linked to the National Sex Offender Registry, and notifies us if someone entering the building is on that list. Please note that we do not receive any other information from this system including past criminal charges/record or even status of the driver's license.

Understanding that a change like this may take some transition time, we will use the month of March to familiarize our community and guests with the new system and procedures. We will begin scanning identifications next Monday, but no individual will be denied access for failure to present proper identification until Monday, April 3, 2023.

We thank you in advance for your cooperation and support as we continue to take the necessary steps to keep our students safe in school.

Sincerely,

Jon MacSwan  
Superintendent
