Dear Cleveland Hill Community;

We are devastated after learning about the senseless act of violence that occurred downtown yesterday. Experiencing this level of racism and hate so close to home makes it even harder. This horrifying act may be particularly challenging for some students to process. We want you to know that our team of counselors, social workers and psychologists will be available in the days to come to assist in any way. Further, our Family Resource Center is also available to family members and residents who may need support. Please reach out if we can be of any assistance and support.

Cleveland Hill has worked hard to establish such a strong sense of community and family. It is times like this when we must pull together and support one another. We stand united in denouncing all forms of racism, hate and violence. Please join us in keeping the victims and families in our thoughts and prayers.

Sincerely,

Jon MacSwan
Superintendent
